Webfolio

Profile

I am a **certified Laravel developer** who builds polished websites, MVP interfaces, and full-stack features quickly using an **AI-accelerated workflow**. Good fit for founders and businesses that need clean execution, responsive design, and fast iteration without agency overhead.

Education

**CERTIFICATION FOR
LARAVEL 2024 - 2026**
SR. LARAVEL DEVELOPER

I have shown my expertise and successfully passed the **Senior Laravel 12 Developer exam**.

IFRN (FEDERAL INST.)
2015 - 2018
CERTIFICATE PROGRAM -
WEB DEVELOPMENT

I studied general **IT** and **specialized Web Development principles**, such as MVC, Object Oriented Programming, UI/UX, **AGILE** and **SCRUM**

Experience

WEB DEVELOPER
2020 - PRESENT
FREELANCE

Worked on a variety of **web projects**, including full-stack dashboards, code review and maintainability tasks.

JUNIOR DEVELOPER
2019 - 2020
REALITY CONTROLS INC.

Extensive work around **.NET** mobile frameworks, using C#.
